## THE HIGHLY ACCLAIMED TRUSTED AND CREDIBLE LIBERTY LIQUORS TASTING

### PANEL NEWSLETTER IS BACK - Q2 2019

We have now completed our second official Liberty Liquors Tasting Panel, which was conducted over a 3 hour session. Our panel is comprised of; two of WA's premium wine makers, two sommeliers, and two industry professionals, with a combined experience of 100+ years. Out of 45 wines, we selected our top 12 wines based on a scoring system of:

- eyes - color, consistency and sediment
- nose - smell and fragrances
- mouth - palate, taste, acidity and tannin profile

Our 12 wines picked and tasting notes are as follows just to give you an idea of how much importance was placed on the different aspects of the wine.

## OUR SELECTION IS NOT INFLUENCED BY CORPORATE'S OR MONEY

### **Yarra Yering Agincourt Cabernet Malbec 2016**

Hailing from the Yarra Valley, the Agincourt Cabernet always exhibits classic cabernet characters of cassis and dark berry fruits along with a unique herbaceousness. The malbec plays its part with inky robust plum and black cherry with ample tannins to provide a beautifully balanced structure. Still a very young wine with at least 10 year cellaring potential.

### **Castelli Estate Il Liris Cabernet Malbec 2014**

The purity of cabernet fruit shines through and is at the forefront aromatically. The malbec provides a structural, earthy element that supports the fruit sweetness and aromatics. Shiraz brings richness, spiciness and mid-palate weight with its softer tannins reinforcing the cabernet back bone. From the increasingly formidable, Great Southern region, this powerfully structured well balanced wine was built to age well over the next 10 - 15 years!
